2. Petitioner states \$175,000.00 was transferred from cash accounts to investment accounts, and that amount is reflected in the market value of the investment accounts. However, Examiner notes that the cash accounts do not appear to reflect this transfer. From which cash accounts was the money transferred?

Also, such transfer should also affect the carry value, not just the market value, of the investment accounts. The Court may require clarification and/or amendment.

Declaration of Attorney Ormond filed 6-20-12 states: The conservator was conscious not to keep an over-abundance of funds in the conservatorship checking accounts. Due to this fact, periodically the conservator would transfer funds into the LPL Financial Account:

12-9-10 \$20,000.00 from Wells Fargo xx0881
10-21-11 \$80,000.00 from Well Fargo xx0881
9-21-10 \$75,000.00 from Wells Fargo xx6440

Attached is a revised schedule reflecting these transfers, which are reflected in the LPL statements and in the market value increases/decreases taking place during the periods. Also attached is a revised Summary.

Examiner notes: As previously noted, the transfers should affect the carry values, not just the market values. The Court may require further amendment.

3. As previously noted, Attorney Ormond's fee request includes \$341.25 for copies, and also includes Fed Ex charges of \$16.55, and communications with the Probate Examiner (re bond, etc.-1.4 hrs @ \$400/hr or \$560.00).

Local Rule 7.17B considers these charges to be costs of doing business and not reimbursable. The Court may reduce the fee request by at least \$917.80.

Declaration of Attorney Ormond filed 6-20-12 appears to address his qualifications, but does not address this item.

The Conservatee died on 3-29-12. Therefore, the Court will set a status hearing for the Seventh and Final Accounts per Probate Code §2620(b) on Friday August 10, 2012.

2. Schedule B ("Other Charges") includes two amounts - \$150,000.00 and \$71,000.00 - labeled "Annuity contribution not previously reported."

The Court may require clarification.

Declaration of Attorney Ormond filed 6-20-12 states it was discovered during the preparation of this 6th Account that there were contributions paid to the Pacific Life Variable Annuity at some time during previous accounting periods that were not reported. Therefore, due to inadvertence and clerical error, these amounts are now being reported. Said amounts are supported by the financial statements on file.

3. Pursuant to Probate Code §3605(c) requires notice on the death of the beneficiary to the State Dept. of Health Services, the State Dept. of Mental Health, and the State Dept. of Developmental Services, addressed to the director of that department at the Sacramento office of that director.

It appears that a person at "Estate Recovery" was sent notice at an address in Sacramento.

The Court may require verification that all appropriate notices have been sent pursuant to Probate Code §3605(c).

Declaration filed 6-22-12 indicates notice of the death of the beneficiary was mailed to the appropriate agencies on 6-21-12. Probate Code §3605(e) allows four months for response. The Court may require continuance to allow time for response.

4. The Court will set a status hearing for the Seventh and Final Accounts pursuant to Probate Code §2620(b) on Friday August 10, 2012.

The Conservatorship Estate includes two (2) parcels of real property as follows: - 508 Midvale, Mill Valley, CA (the "Mill Valley Property") - 1020 King Street, Santa Rosa, CA (the "Santa Rosa Property"). 2. The Mill Valley Property is subject to a mortgage in favor of Wells Fargo Bank with an outstanding principal balance as of April 2012 of \$75,246.61. The mortgage bears an interest rate of 5.50% per annum and is payable in monthly payments of \$1,380.88 excluding property taxes and insurance. The annual payments for property taxes and insurance are \$6,774.12 and \$789.60 respectively. The mortgage matures in September 2018. The Mill Valley Property is currently rented and the conservatorship estate presently receives \$2,700.00 per month net of the property management fees.	1. If the Petition is granted with authorization to begin disbursements of \$1,500.00 per month from conservatee's IRA accounts, this will result in an increase in the annual income of the estate by \$18,000.00. Accordingly, Bond should be increased to \$353,250.72 based on the Fourth Accounting. Bond Worksheet included in the file for reference. Note: The minute Order from 07/09/12 continued this matter and set the OSC for 08/31/12. It appears that the 08/31/12 hearing was taken off calendar and the hearings rescheduled for 08/10/12. It is unclear why or how the hearing date was changed as Petitioner did not file the required Petition to change the hearing date. Note: It appears that the Fifth Account and Report of Conservator is now due. A status hearing regarding filing of the Fifth Account and Report of Conservator will be set as follows: <ul style="list-style-type: none"> Friday, 09/21/2012 at 9:00a.m. in Dept. 303 for the filing of the fifth account. 3. The Santa Rosa Property is a four-plex and is subject to a mortgage in favor of Wells Fargo Bank with an outstanding principal balance as of May 8, 2012 of \$86,189.00. The mortgage bears an interest rate of 5.625% per annum and is payable in monthly payment of \$2,019.17 including property taxes and insurance. The mortgage matures in September 2018. The Santa Rosa Property units are currently rented and the Conservatorship estate presently receives \$3,500.00 per month net of the property management fees.
4. Petitioner proposes to refinance the present outstanding principal balance of the Mill Valley Property with Wells Fargo Bank for a 10 year term at an interest rate not to exceed 3.75% per annum. The expected monthly payment after refinancing the Mill Valley mortgage will change to \$1,380.77 including amounts impounded for property taxes and insurance. The result is an increase in cash flow to the Conservatorship Estate of approximately \$7,500.00 per year.
5. Petitioner also proposes to refinance the present outstanding principal balance of the Santa Rosa Property with Wells Fargo Bank for a 10 year term at an interest rate not to exceed 4.25% per annum. The expected monthly payment after refinancing the Santa Rosa mortgage will change to \$1,481.20, including property taxes and insurance. The result is an increase in cash flow to the Conservatorship Estate of approximately \$6,500.00 per year.
6. Petitioner states that the monthly expenses relating to the care and maintenance of the Conservatee has increased due to the continuing deterioration in the Conservatee's condition and exceeds the net monthly income of the Conservatorship Estate resulting in a shortfall of cash to pay the expenses of the Conservatee. Refinancing the Mill Valley and Santa Rosa mortgages will result in additional cash to the Conservatorship Estate to meet expenses and is preferable to selling the properties because both properties are expected to appreciate in value compared with current market conditions and the loans can be repaid from current rental income. Petitioner proposes to execute notes in favor of Wells Fargo Bank to evidence the indebtedness and deeds of trust covering the Mill Valley Property and Santa Rosa Property to secure the notes to Wells Fargo Bank.
7. The Conservatorship Estate also includes two (2) individual retirement accounts for the benefit of the Conservatee (the "Franklin IRA" and "T. Rowe Price IRA"). Monthly distributions of benefits from these accounts have not commenced.
8. The present value of the Franklin IRA is \$12,348.23 (as of March 31, 2012) and the present value of the T. Rowe Price IRA is \$91,500.53 (as of May 17, 2012).
9. The current income of the Conservatorship Estate is insufficient to satisfy the ongoing expenses associated with the Conservatee's care and maintenance. The monthly cost of the Conservatee's care and maintenance has increased to approximately \$6,500.00 per month. In addition, the cost of the Conservatee's medical insurance is approximately \$250.00 per month. This does not include an allowance for incidental expenses associated with the Conservatee's care and maintenance. The net monthly rental income from the Mill Valley and Santa Rosa Properties is approximately \$2,200.00, after deducting the mortgages against the properties, property taxes and insurance. The Conservatee also receives benefits from Social Security of \$1,628.00 per month.
10. The monthly expenses for the Conservatee's care and maintenance exceed the income of the Conservatorship Estate by approximately \$2,450.00 per month. Taking into consideration the anticipated savings to the Conservatorship estate from refinancing the properties as proposed, the monthly expenses of the Conservatee will exceed the monthly income by \$1,200.00 per month.

Continued on Page 3

11. Petitioner also proposes that distributions commence from the Conservatee's IRA accounts of at least \$1,500.00 per month if the Petitioner is authorized to refinance the Mill Valley and Santa Rosa Properties and \$2,500.00 per month if authority to refinance the properties is denied. Another benefit of commencement of distributions from the IRA's is that although distributions will be subject to state and federal taxes, the Conservatee has sufficient deductions to shelter the distributions from income taxation.
12. On 09/28/10, bond was increased to \$333,451.00. An increase in the bond may be required upon the grant of the authority requested in this Petition.

Petitioner prays for an Order:

1. Authorizing Petitioner to refinance the outstanding principal balance of the mortgage secured by the Mill Valley Property by executing a note and deed of trust in favor of Wells Fargo Bank secured by the Mill Valley Property;
2. Authorizing Petitioner to refinance the outstanding principal balance of the mortgage secured by the Santa Rosa Property by executing a note and deed of trust in favor of Wells Fargo Bank secured by the Santa Rosa Property;
3. Authorizing Petitioner to begin the commencement of distributions from the individual retirement accounts held for the benefit of the Conservatee in the amount of at least \$1,500.00 per month if Petitioner is authorized to refinance the Mill Valley and Santa Rosa properties; or, if authority to refinance the Mill Valley and Santa Rosa properties is not granted, in the amount of at least \$2,500.00.

Court Investigator Charlotte Bien filed a report on 06/21/12.
